REMARKS

Claims 1-25 are pending in this application. In a telephone interview between Examiner Wilson and the undersigned attorney on October 13, 2005, it was agreed that the Office Action Summary is in error and that the current claim status is as follows. Claims 2-3 are rejected under 35 USC 102(b) as being anticipated by Nanstiel. Claims 5-6 and 8-9 are rejected under 35 USC 103(a) as being unpatentable over Nanstiel in view of Bannerman. Claims 1 and 12-25 are allowed. Claims 4, 7 and 10-11 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Independent claim 2 is amended herein to include the limitations of objected-to claim 10 and intervening claim 3, and claims 3 and 10 are cancelled. This amendment places independent claim 2 and its dependent claims 4-9 and 11 in condition for allowance.

Entry of this amendment and allowance of the application including claims 1, 2, 4-9, 11-25 are respectfully requested.

Respectfully submitted,

David G. Maire (Reg. No. 34,865)
